**PRESS RELEASE  
FOR IMMÉDIATE RELEASE**

**SIDEWALK CAFÉ SEASON IS HERE!**

Bar and restaurant owners in our downtown area are in the home stretch getting their patios and sidewalk cafés ready for another season! They are all eager to welcome visitors, tourists and the greater Moncton population.

No later than this week-end, hundreds if not thousands of people will converge to our downtown sidewalk cafés looking for a unique experience. Downtown Moncton patios and sidewalk cafés have become a must for those looking for an enjoyable, warm and hip atmosphere. It is no wonder that this warm welcome has become a trademark of our downtown merchants.

Downtown patios and sidewalk cafés all offer a multitude of dining and drinking that will surely please everyone. So bring your friends along for what promises to be another wonderful season. And don't forget to be here for the amazing ambiance in our downtown area during the many upcoming festivals and special events.

Downtown Moncton centre-ville Inc. invites you all to make the most of these many great services put in place to give you a memorable experience in our downtown!
