Stop by and experience what it would be like to be homeless or less fortunate by spending some time in the **giant cardboard box home** that will be located in the Champlain Place parking lot from **November 12 – 14**. The Harvest House Mission Possible C.A.R.E. team will be living in the box for 54 hours to help raise awareness about homelessness and the services Harvest House provides to our downtown community's less fortunate. also be accepting donations of warm clothing and bedding as those are very much in demand during the winter season. Harvest House is located at 119 Gordon Street, 388-5533.
